Gate of Hope

The Child is the Focus of IJHCC

*Every child is a gift to the community.
Every child deserves a good start in life.*

The **Infant Jesus Homes and Children's Centres (IJHCC)** is an inclusive charity serving children and youth from diverse socio-economic, racial and religious backgrounds.

In a caring and nurturing faith-based environment, IJHCC strives to create opportunities for every child to grow and develop according to his or her gifts and talents. Through the values and culture of IJHCC and carefully thought-out programmes and services, it is our hope that every child will find for himself or herself, a sense of identity, belonging and community.

The mission of IJHCC is endorsed by the Catholic Archdiocese of Singapore. IJHCC is also a member organisation of Caritas Singapore.

Our Services

- Student Care**
Our Student Care supports families who require after-school supervision for their primary school-aged children. Other than meals and homework guidance, enrichment programmes are conducted for their holistic development. We currently have 3 centres - IJ Agape, IJ Galilee and IJ Village.
- Outreach**
We work in partnership with families, schools and the community agencies to support the growth and formation of children and youth in the neighbourhood. Customised programmes are being continually developed to meet the evolving needs of these children.
- Programmes**
Our programmes are designed to meet the developmental needs of the child. Collaborating with various agencies and groups, our curriculum incorporates character and values development, confidence building and life-skills acquisition. Our programmes include Speech and Drama, STEM, Numeracy and Reading Literacy.
- Residential Care**
Elderly ladies, who had been lovingly cared for by the IJ Sisters since they were babies at the convent orphanage, continue to reside at IJ Village under our care.
- IJ Joy Packs**
The Joy Pack contains groceries generously donated, lovingly packed and distributed to the families in the community who are in need of such help for their children.
- Bursary Award**
This Annual Award aims to benefit primary and secondary students, especially from our cohort of students from the Student Care and Community
